## Executive Summary

Section 9(1) of the FPSC Ordinance requires FPSC to present an Annual Performance Report of FPSC to the President of Islamic Republic of Pakistan. Accordingly, the FPSC annual report for calendar year 2023 is presented to the President.

During the year 2023, the Commission remained engaged in conduct of tests/exams as per its mandate under FPSC Ordinance, 1977. It was with dedicated efforts of the Commission that scheduled activities were performed smoothly throughout the year. The Commission announced final result of CSS Competitive Examination (CE) 2022 on 9<sup>th</sup> June, 2023. During the same year, CSS Competitive Examination-2023(written part) had also been held in 19 cities across Pakistan. Out of 28,024 registered candidates, 13,008 candidates appeared in the written exam. Result of the qualified candidates of written part of CSS CE-2023 was announced on 18.09.2023 in which 401 candidates were declared successful. MPT Test for CSS-2024 was held on 19.11.2023 and result was announced on 21.12.2023.

During the period under report, FPSC also announced a Special CSS Exam 2023 for filling up vacancies of certain Provincial/Regional quotas which remained unfilled over the years due to non-availability of qualified candidates. In this regard, Preliminary MCQ Screening Test (MPT) was conducted on 21.05.2023 and result was announced on 27.06.2023. Out of 54,257 registered candidates, 38,445 appeared whereas, 33,157 candidates qualified the test. Written part of Special CSS 2023 was held from 12.10.2023 to 20.10.2023, in which 15245 candidates appeared.

During 2023, the FPSC conducted Final Passing Out Examinations (FPOE) of twelve occupational groups/services for Probationary Officers of 49<sup>th</sup> CTP. Out of 311 registered candidates, 276 qualified the examination whereas 35 candidates were declared unsuccessful.

Under the General Recruitment (GR) Stream, 2359 vacancies were advertised, against which 436,217 fresh applications were received online. The Commission recommended 1436 candidates for appointment against vacancies of different Ministries/Divisions under GR during 2023.

In accordance with Rule 11(b) of the Civil Servants Act 1973 FPSC conducted written tests for 10 cases of regularization of services of contract employees referred from Ministries/ Divisions/ Departments.

An important function of the Federal Public Service Commission is to carry out an in-depth analysis and provide advice to the Ministries/Divisions on recruitment rules of

their posts through concurrence of same. In this regard, 79 cases for concurrence of recruitment rules were dealt with during 2023.

Comparative analysis/studies based on the data related to CSS and General Recruitment, generated by FPSC, continued during 2023. Data analysis remains a continuous practice in the FPSC which facilitates the Commission to determine as to which areas should be looked into deeper and which should take priority over others. This report also provides a summary of research and comparative analysis on various aspects of selection and recruitment against the Civil Posts under the Federal Government in BS-16 and above.

The Commission continued its untiring efforts to meet its obligations throughout 2023 despite certain constraints which included shortage of human resource viz-a-viz the work load, delay in finalizing the cases due to litigation in the superior courts, requests of Ministries/Divisions for alternate nominations and in certain cases due to withdrawal of requisitions. Moreover, FPSC is also looking after recruitment of BS-16 and above relating to the Government of Gilgit Baltistan which does not have its own Public Service Commission.

## CHAPTER IV:

### GENERAL RECRUITMENT

4.1 FPSC is mandated for recruitment of all civil posts in BS-16 and above under the Federation. Therefore, such posts also include the Ex-cadre/Technical positions belonging to different Ministries/Divisions/Departments of the federal government. This recruitment is dealt by the FPSC under General Recruitment stream. General Recruitment process is a continuous cycle which has various pre and post exam related activities/stages like advertisements, conduct of collective test phases as per availability of budget, reservation of examination halls, other logistic resources, shortlisting after written test result and finally interviews. Therefore, it is evident that the General Recruitment cases advertised in one calendar year cannot be necessarily finalized in the same year. Generally, in cases with relatively larger number of vacancies, finalization takes place in the successive years. Therefore, the data of General Recruitment cases during the year 2023 also includes the cases/applicants of previous years.

4.2 **Fresh cases advertised during 2023:** The Commission published 14 Consolidated Advertisements against 247 fresh cases of recruitment, involving 2359 vacancies. A total of 436,217 applications were received against these advertisements. Summary of such advertisement is at table-26 below whereas detail is at **Appendix-3(a)**.
